

Annex 7 – Signing of tender

Procurement Reference: LUP 2023-1
Procurement European Equity Funds

Annex 7 – signing of tender

The tender must be signed by an authorised representative of the Fund Manager with a personal signature and name clarification.

After signature, this appendix must be scanned and attached to the tender electronically; the original is retained by the Fund Manager and must be presented at the request of the FTN's.

By signing this appendix, the Fund Manager confirms that the information provided in the tender is correct and assures that the Fund Manager has not omitted any information of importance for FTN's evaluation of the tender.
